APPLICANT'S SUMMARY OF INTERVIEW

Mail Stop Amendment Commissioner for Patents PO Box 1450 Alexandria, VA 22313-1450

Sir:

In accordance with MPEP 713.04, the following summarizes the substance of a telephone interview held on this date between the Examiner in charge of the application and the undersigned:

The Examiner indicated that the amendment to claim 1 reciting the light at the distal end of the antenna does not appear to be shown in the art of record and this claim along with its depending claims 2 and 3 may be allowed.

However, the Examiner pointed out with respect to claim 10 claiming the light plugged into the jack used to charge the battery is shown in Angelopoulos, Fig. 1 and described in col. 3, last paragraph. The parties agreed to cancellation of claims 10-12 by Examiner's Amendment upon allowance of claims 1-3.

A favorable action is solicited.
